SEPARATE PERMITS ARE REQUIRED FOR ELECTRICAL, PLUMBING, GAS PIPING, and HEATING/AIR CONDITIONING. This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction work is suspended or abandoned for a period of 180 days at any time after work is commenced. All permits for residential construction shall expire in 365 days.

I have carefully read the complete application and know the same is true and correct. I understand the ordinances governing the construction activity described in this application, and agree to comply with all provisions of the City ordinances, State laws, and all property restricts, whether herein specified or not. As the owner of the above property or a duly authorized agent, I hereby grant permission to enter the premises and make all necessary inspections.
