RBdigital Audiobooks and Digital Magazines @ YOUR Library

We are pleased to be able to offer you a new audiobook option. Our new RBdigital database is the place to download audiobooks straight onto your phone through their RBdigital app. One of the great features of this is that if you have a Zinio for Libraries account you can use RBdigital without having to create a new account. Because these two are owned by the same company, once you have a login it can be used for both our digital magazines and our audiobooks. Just a note, the Zinio for Libraries app will soon be deleted by the company so

RBdigital will be your one stop shop. The next great feature of this database is that it has unlimited users on an audiobook. There will never be any holds for a book that you want. The database allows you to check out the book for 10 days at a time with the option to renew at the end of those 10 days. Since it is a new system we will be adding books periodically, so if you don't see the one you want, we may be in the process of adding it. Come back often to check out the developing collection! Summer Reading Program @ YOUR Library

This was an unbelievable year for us. Over 650 children registered for our annual Summer Reading Program! The attendance for our weekly programming was over 839!!! That's an average of 140 children walking into the library each week. We have such an amazing community and we are proud to be a part of it. Once again we would like to thank our community sponsors:

- American State Bank
- Bakken Tek Services
- Byerly Computer Services
 - First National Bank
 - Gate City Bank
- Howard & Melanie Klug

We can't wait to see what next year will bring. The theme will be "Libraries Rock" and will be centered around music.

Children's Programming @ YOUR Library

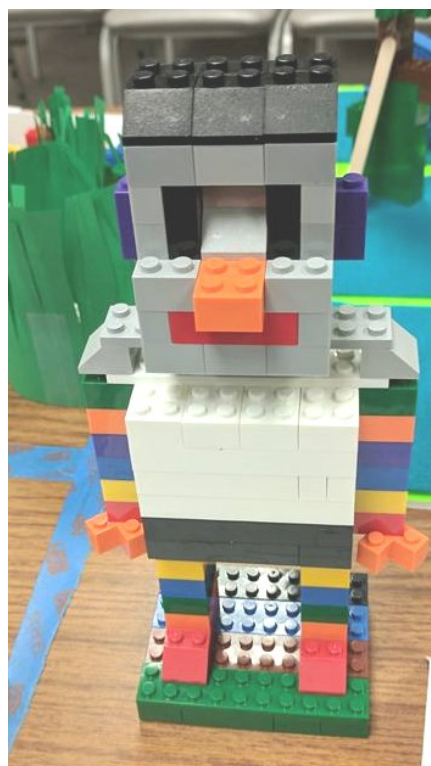

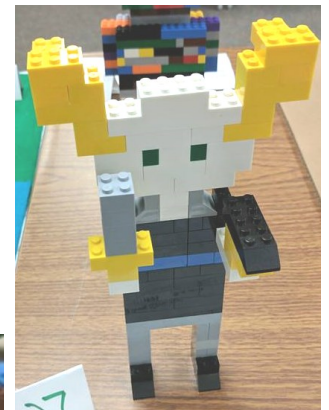

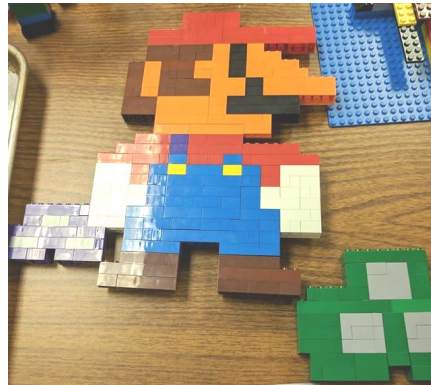

Miss Andrea is cooking up some wonderful programs for the fall. We will begin regular programming starting in September.
