3. Public Hearings

A. Public Hearing to Consider a Plat for Two Lots to be Known as the HBM Subdivision and Zone Change from Agriculture to M-2:Heavy Industrial, Located in the SE1/4SE1/4, Sec. 24, T155N, R101W– HBM Development LLC/AE2S

Rachel Lagua from Planning & Zoning presented the following;

A Public Hearing to Consider a Plat & Zone change for the SE1/4SE1/4SE1/4, Sec. 24, T155N, R101W, known as the HBM Subdivision, a 10-acre parcel located next to Brady Trucking, at the corner of 84th Street & 135th Ave NW.

The applicant had originally requested only a zone change from Agricultural to Industrial; however, for un-platted properties, we do require platting with any requested zone changes. In addition, the City requested inclusion of the City lot on the North side of the lot (Lot 2), also to be rezoned to M-2: Heavy Industrial, and required the dedication of road rights of ways on the east and South sides, as is standard for all section line easements.

The property has a large drainage running through it. This has been marked on the plat. This will need to be updated to include a no-build easement, as well as flood plain elevations.

The property is bordered on the West side by M-2: Heavy Industrial property and the lot to the North has undergone an unfinished zone change contingent on platting to M-2: Heavy Industrial, which has been removed from our files, they did not complete the project and choose to revert to property to Agricultural. This zone change is also consistent with the future land use plan. The roads to the South and East have been improved. This plat will finalize the dedication of the full road widths to the City.

A full plat will be required so this will come back to the Planning Commission and the City Commission for review of the final plat. This is the last stop for the zone change. This was presented to the Planning & Zoning Commission on December 18, 2017, they recommended approval as a preliminary plat & zone change as presented contingent on the following;

- 1. Review of preliminary plat and public hearing of zone change at City Commission
- 2. Review of final plat at City Commission and zone change
- 3. Final zone change is contingent on approval of final plat.
- 4. Drainage easement must include "no-build" clause.

After the Planning & Zoning Commission meeting a neighbor, Milton Lindvig, called to discuss the drainage between this referenced property and his property; this issue should be able to be handled through the new roads East of this property. We are not expecting this to be an issue.

The recommendation is to approve the preliminary plat and zone change for the HBM Subdivision, located in the SE1/4SE1/4SE1/4 of Section 24, T155N R101W, as presented, contingent on completion and recordation requirements as listed above.

It was asked who was responsible for building the road to the East all the way up to the North side of the project, it has already been built and it is up to our standards. Bob Hanson, City Engineer, added in regards to the drainage, that it is a very large drainage area; any development would require Storm water volumes, due to the volume increase. This will be addressed at the time a permit is requested.

Mayor Klug opened the public hearing for public comment. Hearing no response, Mayor Klug repeated his request for public comment two additional times. Hearing no response, Mayor Klug declared the hearing closed.

Motion by Cymbaluk, Seconded by Brostuen to make a motion to approve the preliminary plat and zone change for the HBM Subdivision, located in the SE1/4SE1/4SE1/4 of Section 24, T155N R101W, contingent upon the recording of any required documents as presented above in our packet.

AYE: Brostuen, Bekkedahl, Piesik, Cymbaluk and Klug

ABSENT AND NOT VOTING: NONE

CARRIES: 5-0

B. Public Hearing to Consider Ordinance 1073, Beverage Kiosk, an Amendment to Ordinance 958

This ordinance amends Ordinance 958, regarding mobile food and beverage kiosks, which was an amendment to Ordinance No. 613 of the City of Williston, also known as the Zoning

Ordinance of the City of Williston, adding Q: Mobile Food Vendors and Portable Carry-Out Food to Section 25: Supplementary District Regulations prohibiting mobile food vending and carry-out food facilities and adding Section 25. T: Beverage Kiosks establishing the criteria and permitting process for beverage kiosks.

A committee to gather public input and examine the beverage kiosk ordinance was set up by the City Commission at their July 25th, 2017 regular meeting. The committee consisted of Tate Cymbaluk, City Commissioner; Chris Brostuen, City Commissioner; Cyndy Aafedt, Planning and Zoning Commissioner; Paul Bauer, Planning and Zoning Commissioner; David Tuan, City Administrator; Janna Lutz, President, Williston Area Chamber of Commerce; Shawn Wenko, Executive Director, Williston Economic Development; Keith Olson, Director, Small Business Development; Amy Krueger, Executive Director, Williston Convention and Visitor Bureau; Jordon Evert, Assistant City Attorney; Jason Catrambone, Williston Fire Chief; Rachel Laqua, Principal Planner, Williston Planning Department; Kent Jarcik, Planning Director, Williston Planning Department; and representatives from the Building Department. The City Commission established the committee based on prior public comment received at a regular public meeting of the Planning and Zoning Commission. The committee was set up to review and evaluate the existing beverage kiosk Ordinance #958.

This ordinance is the work of that committee, and:

- 1. Separates mobile food and portable carry-out food from beverage kiosks, creating two new subsections.
- 2. Clearly defines beverage kiosks
- 3. Updates regulations for beverage kiosks, including:
 - a. Updating language to clarify requirements for securing kiosks
 - b. Clarifying "approved" facilities for waste disposal
 - c. Updating requirements for style of new kiosks permitted after approval of this ordinance
 - d. Clarifies what may be sold out of kiosks
 - e. Clarifies ability for a kiosk to connect to water and sewer, as that would require a foundation also be put in.

An ad hoc meeting was held on December 4th, 2017, which there was no comments;

Extensive public input was gathered through this process. The committee:

- 1. Worked with focus groups, including:
 - a. Current beverage kiosk owners
 - b. Current property owners who rent space to kiosk owners
 - c. Brick and mortar coffee shop owners
 - d. Rotary
 - e. Lion's Club
 - f. Realtors' Association and Homebuilder's Association
 - g. CVB Hotel Group
 - h. Star Fund Board
- 2. Put out a public survey on social media, which received over 1,000 responses
- 3. Met individually with concerned business owners

The draft of this Ordinance has been sent to each of the focus groups again, and has received only two comments. One comment from a kiosk owner noted that though she had wanted to serve soup out of her kiosk, she has determined that she is in agreement with the Ordinance as

drafted. The other comment was from the Upper Missouri District Health Unit and their comments have been incorporated. Since the Planning and Zoning Commission meeting, staff has received one more comment from a kiosk owner. The email exchange can be found attached. While there were several questions which involved clarifications of pieces of the Ordinance, the owner also questioned the amount of the annual fee. At the Planning & Zoning Commission meeting, there were no comments from the public, however, one commissioner voted "no" on the Ordinance, but clarified that this was due to objections to the unchanged Section 25.Q. regarding mobile food, not the changed Section 25.T which updated regulations on beverage kiosks.

The recommendation from the Planning and Zoning Commission was to approve Ordinance 1073; this Public Hearing would count as its first reading and then require one more reading.

Employee parking was addressed and it was clarified that the Kiosks have to have fully paved areas for parking for employees.

Mayor Klug opened the public hearing for public comment. Hearing no response, Mayor Klug repeated his request for public comment two additional times. Hearing no response, Mayor Klug declared the hearing closed.

Motion by Brostuen, Seconded by Bekkedahl to make a motion to approve the first reading of Ordinance 1073 Beverage Kiosk, an Amendment to Ordinance 958 as presented.

- Ordinances
 - A. Ordinance 1074 Amending Fireworks First Reading

This is an attempt to put in an Ordinance from the same language the state has, as it relates to fireworks.

It was clarified that this also gives the Fire Chief the authority to stop fireworks in the City if deemed necessary.

The other thing the Liquor Committee looked at was that this sets the application fee to be determined by City Resolution not through the Ordinance, so it allows more flexibility to change that over time without dealing with the Ordinance.

Motion by Cymbaluk, Seconded by Piesik to make a motion to approve the first reading of Ordinance 1074 as presented.

8. Report of Commissioners

A. President of the Board

1) Herman Oil Development Review Committee

City Administrator, David Tuan presented the following;

A proposal, is before you, to appoint a formal committee to review development proposals on the Herman Oil property, this is advertised until January 17, 2018 and addresses three different lots that are up for purchase and development, we would like to request the following be appointed to the committee, Mayor Howard Klug, Commissioner Tate Cymbaluk, City Administrator David Tuan, Economic Development Director Shawn Wenko, Keith Olsen of the Small Business Development Center, City Engineer Bob Hanson, Planning Director Kent Jarcik and Public Works Director Dave Bell, to form that Committee so we may evaluate the proposals and bring forth a recommendation at the February 13, 2018 Commission Meeting.

Motion by Cymbaluk, Seconded by Brostuen to make a motion to approve.

- D. Fire, Police and Ambulance Commissioner
- E. Water Works, Sewer, Airport, Building and Planning Commissioner
 - 1) TKDA IFE Task Order

Airport Director Anthony Dudas presented the following:

Attached is a Task Order from TKDA for \$62,000.00 to complete independent fee evaluations (IFE) on Federal and State funded projects shown in phase 1 of the document. IFE's are required evaluations, per Federal regulations and the State has asked that all State monies

allocated through the legislative session also go through this process to ensure the fees are fair and reasonable for those projects. We have asked TKDA to break those fees into two separate projects, phase 1 is for all known Federal and State funded projects, phase 2, is for other projects that will be locally funded, however, in the event we would like these project to have Federal or State funding we would be prepared to move forward quickly, if that funding were to become available. The IFE's will be billed as they are completed, if they are not needed they won't be completed. We recommend approval.

The \$62,000.00 covers what is included now, costs above and beyond will be billed separately, by set fees determined based on the complexity of the project.

Motion by Brostuen, Seconded by Cymbaluk to make a motion to approve.

2) MWEC Reimbursable Agreement

Attached is a reimbursable agreement with Mountrail-Williams Electric Cooperative, this is to relocate an existing 115kV transmission line, along the North side of the current XWA Williston Basin International Airport property. This is similar to the other utility relocation we have done. We do not have an exact cost associated with this reimbursable agreement yet. The current estimated cost is \$1,600,000 which was developed by KLJ. The payment will be split in three. The first will be for all actual costs related to design and right of way acquisition. The second will be equal to 50% of the estimated cost of construction developed by MWEC. The final payment will be the balance of actual costs incurred by MWEC for the project. The reimbursable agreement has been reviewed by City staff; however, we are still waiting on legal counsel to be in agreement. We recommend approval contingent upon Attorney review and approval. If the costs exceed the initial \$1,600,000.00 it would have to come back before the board, if it were written as not to exceed.

Motion by Cymbaluk, Seconded by Bekkedahl to make a motion to approve the agreement of the \$1,600,000.00, subject to attorney review and approval, if it is over that dollar amount to come before this Board one more time.

 - B. City Auditor
 - 1) Chapter 21 Taxi License Regulations

City Auditor John Kautzman presented the following:

We are requesting the Board of Commissioners to empower the Taxi Committee to have the authority to suspend any taxi cab license due to non-compliance issues. The current Committee members are Mayor Howard Klug, City Auditor John Kautzman and Chief of Police David Peterson, it would be this three member group making these decisions, however, they would still have the option to appeal to the Board.

Motion by Cymbaluk, Seconded by Piesik to make a motion to approve the request as presented.

2) Big Shot Taxi – License Suspension/Revocation

The second item is in regards to Big Shot Taxi and several issues we have had with this service, we are requesting a revocation of their ability to operate as a cab service. The most recent issue is operating limousines that are not registered with the City. Auditor Kautzman opened the floor for Big Shot to speak, however, no representative was in attendance.

Motion by Cymbaluk, Seconded by Brostuen to make a motion to approve as presented the suspension/revocation of Big Shot Taxi as presented.

Auditor Office Staff Lynn Wallace clarified the following;

The 30-day suspension was initially imposed, then after further investigation it was determined this was his third suspension for non-compliance, based on the 2-strike rule, the Taxi Committee imposed on the December 7, 2017 meeting, we were then seeking revocation. If the Board decides against the revocation, we are asking that the 30-day suspension be up-held.

It was clarified that this request was just not about non-compliance, it goes beyond, based on the fact that for the 2017 year he only had one non-altered vehicle registered as a taxi and he was operating limo's that were not registered with the City, in order to be in compliance and register them, he would now have to be in compliance with ADA regulations.

David Tuan pointed out that there were some negotiations with the City Attorney's Office and without Taylor Olson in attendance, he asked for additional time to consult with her before making a decision on the revocation part of this Agenda item. It was also stated at this time there is no agreement with Big Shot Taxi and a citation has not been issued as of yet.

It was also clarified that the Taxi Committee now has the power to deal with the suspensions and revocation issues going forward.

Commissioner Brousten withdrew the Second, Commissioner Cymbaluk withdrew his motion.

Mayor Klug entertained a motion to table.

Decision was made to split this Agenda item into two parts, first part being the revocation (full suspension), which will be determined by the taxi committee after having time to clarify with the attorney's office will be tabled; second part is to formally impose the 30-day suspension to begin immediately.

Motion by Cymbaluk, Seconded by Piesik to make a motion to table the full suspension for a few days to clarify everything.

1) Change Order #2 - West Sand Creek Lift Station & Force Main

Second item is a Change Order on our West end lift station and force main project that provides sewer service to the new High School. It's been difficult getting force mains through the Sand Creek Valley and the potential to not be able to provide sewer service to the new High School. There have been difficulties. Denny's Electric submitted a \$215,000.00 claim for extra work. After some back and forth it was determined, \$125,853.72 is legitimate extra costs. A Change Order has been prepared to reflect this amount and does fall within the financing we had original set up for this project. Recommendation is to accept and approve Change Order No.2, Knife River's Contract in the amount of \$125,853.72.

Motion by Bekkedahl, Seconded by Brostuen to make a motion to approve the Change Order No. 2 to Knife River's contract for the construction of the West Sand Creek Lift Station & Force Main project in the amount of \$125,853.72 as presented by the City Engineer.

2) Trillion Aviation Air Service Development Retainer

This is the 4th agreement between Trillion and the City to assist with air service development efforts. Trillion will provide a more in-depth catchment area (leakage) analysis, presentations to Delta, United, Allegiant, and American Airlines, presentations and representation at the JumpStart Air Service Development Conference, and continued assistance in refining our air service strategy. This agreement is \$2,000/month with all actual travel related expenses billed at cost. We recommend approval.

** Note: Mike Bown with Trillion will be presenting an air service development update to the commission on January 23rd, 2018.

Commissioner Bekkedahl made a few comments regarding the service that Trillion has provided and is suggesting they become more aggressive in seeking more flights into the community and making sure they are basing the demand on current statistics, example being that airlines are basing flights on the number of drilling rigs, which is not an accurate reflections of demand in Williston. He also expressed concern with our current airport flights not meeting the demand and then being sent to Minot for service and the on-going struggle to get these customers back to Williston. Why do we continue to send them to Minot rather than making a better more aggressive attempt to get more flights out of Williston?

Mike Bown is our main point of contact with Trillion Aviation Air Service Development; however, they are all former airline professionals, they have a very good understanding of air carrier route planning and determining where they may be heading and what information the airlines really look at as far as determining when they are going to expand service. They have been good at

taking our input into consideration. Commissioner Brostuen agreed they do a very good job and has been impressed with their presentations and feels they will continue to be a good partner.

The current contract is for a 2-year term and does not allow an out for us if we are not satisfied if the Board approves as presented.

Commissioner Piesik inquired if we were at fault by not communicating enough in regards to flights, etc. We acknowledge that we need to start recruiting now and hopes Trillion has a clear understanding of this also. It was stated there is a pilot shortage and also a shortage of the size of aircraft that can currently fly into Sloulin Field with the completion of the new airport this will not be an issue. However, it continues to be an on-going challenge for our current facility. The airlines won't commit at this year's jump start meeting, as they do not like to reveal their plans to their competitors and most likely will commit within a 6-month time frame regarding whatever changes they plan on initiating.

Commissioner Bekkedahl pointed out that once these leakage customers have sought service at another airport they could take years to get back due to insufficient service to the area. Also, once they get sent to another airport, it just continues to support those numbers for these other facilities, when in fact, we need to show those numbers really belong to our facility. We don't want to continue to inflate these leakage numbers and lose the market now and in the future. We want them to understand we need Trillion to all they can do and we need to do a better job to restore the service to this region.
