OPEN HOUSE SLATED FOR NEW WILLISTON BASIN INTERNATIONAL AIRPORT

Free Informational Event Open to the Public on July 27th

Williston, N.D. (July 14, 2016) - Residents of Williston can get a closer look at what is being planned for their new airport at an Open House on Wednesday, July 27. The free public event will be held at the ARC from 3:00 - 8:00 pm.

"This special event will allow anyone interested in the airport to see and hear about all that is planned and celebrate the progress that has been made," said Steven Kjergaard, Airport Manager.

Renderings of the facility will be on display and airport staff and various consultants will on hand to answer questions and provide additional information. Complimentary food will also be served between 6:00 and 8:00 pm.

The new regional airport has been in the planning stages since 2011 and groundbreaking is slated for later this October. For more information, visit xwaproject.com.
